Re: Pesticide Report (Annual Report)

Date: June 6, 2019

Dear Families,

In order to maintain a healthy environment for our students, we contract the services of an exterminator who services the building monthly. We treat the following areas in the building for insects and other pests on a monthly basis:

- Kitchen
- Cafeteria
- Main Custodial Supply
- North Custodial Closet
- West Custodial Closet
- Middle School Lockers Perimeter

Our contracted exterminator services are in compliance with all local and state ordinances and regulations regarding the safety and operation of this facility. Should you have any questions, please feel free to contact the school administration.

Thank You,
