

COLUMBUS HUMANITIES ARTS & TECHNOLOGY ACADEMY

TO: COLUMBUS HUMANITIES FAMILIES **RE: SCHOOL CLOSINGS FOR INCLEMENT WEATHER**

From time to time, as a result of unpredictable weather or unforeseen circumstances, we may need to close our school. We understand the inconvenience this may cause your family, however, the safety of our children is of utmost importance. When inclement weather occurs, you are encouraged to make your own assessment of the road conditions and keep your child home if you think the trip to school may be too dangerous.

School closing decisions are usually made between the hours of 5:00am and 6:00am, based on driving conditions determined by our road crew and the current weather forecast.

School closings for Columbus Humanities can be found on the following television stations/websites:

- **CBS 10TV News – WBSN**
<http://www.10tv.com/weather/columbus-ohio-school-closings-business-delays-churches>
- **ABC 6 - WSYX / FOX 28**
<https://abc6onyourside.com/weather/closings>
- **NBC 4 – WCMH**
<http://www.nbc4i.com/weather/closings/>

To get the most up-to-date information, families are encouraged to sign up for **REMIND** - our FREE reminder service that sends text alerts to your cell phone. Please visit www.remind.com, create a free account, and enter our school code (e4384).

In addition, there may be times when the school must close **early** because of an approaching storm or increasingly dangerous road conditions. In general, an early closure will be two hours in advance of regular dismissal time.

Please also be sure your child is dressed appropriately when inclement weather is expected, as busses and other forms of transportation may be delayed due to poor road conditions.

We ask that you keep this letter for future reference. We appreciate your cooperation, understanding, and assistance.
