

# COLUMBUS HUMANITIES ARTS & TECHNOLOGY ACADEMY

Dear CHATA Family,

The 2021-2022 school year is here! It is with much excitement that I write this letter to you as the returning principal of Columbus Humanities, Arts and Technology Academy! We are thrilled to welcome each of your students fully back in the building for this academic school year. Last year, we offered learning in three modalities; we had students traditionally five days a week, hybrid, and fully remote. Each modality presented its own unique challenges, and with each challenge, our school community came together and rose to meet those challenges. I am incredibly proud of the hard work and dedication that our students, families, and staff put forth in such an unprecedented year.

Our staff has been working around the clock to get ready for this school year. We have designed schedules, classrooms, and staffing – as well as built community partnerships – to ensure the overall well-being of your student. We know that some students and families may be feeling nervous about returning to school. It is of the utmost importance that your student feels safe and welcome in all aspects of their educational journey. Should you have any concerns, please feel free to reach out to the school at 614-261-1200 or email me at [erjohnson1@columbushumanitiesata.org](mailto:erjohnson1@columbushumanitiesata.org).

One of our main goals this year is to remain in constant communication with our families. We value your partnership in your student's progress. You can expect to receive a CHATA monthly newsletter, frequent phone calls and updates from your student's teachers, updates on our CHATA Facebook page, and progress updates at our fall and spring parent/teacher conferences.

Together, let's make this year the best one yet! See you all on August 11<sup>th</sup>!

Kind Regards,

**Erin Johnson, M.Ed**
